Dear Richard,

We received a great number of comments on both rules, and the staff managing the dockets are still catching up. The docket staff has also been busy with the comments related to the regulatory reform efforts.

Thank you for checking and resending your comments,

Ana

**Subject:** EDF comments on DCM-NMP and 2nd TCE proposed rules are not in the dockets

Dear Cindy, Ana and Niva:

I cannot find EDF's comments submitted on May 19, 2017, in either of these dockets:

EPA-HQ-OPPT-2016-0231 for NMP/DCM proposed rule

EPA-HQ-OPPT-2016-0387 for second TCE proposed rule

The only EDF documents in the dockets are the record of our mass email campaign for each proposed rule, and our letter opposing HSIA's request for an extension of the comment period.

Are these dockets still not caught up yet, do you know? Please advise.

I'm attaching our comments here for reference.

Thanks!

Richard
